

Southern African Price List

(in South African ZAR)

Notes:

1. A transferable software security key is provided for each installation. We provide USB dongles upon request, at a cost of **R750 per dongle**, inclusive of shipping.
2. We offer discounts for multi-license purchases, product upgrades, and network installations. Please contact us for a quote.
3. A maintenance contract is available at **16% p.a.** of the full list price. A once-off purchase includes a free maintenance contract for the first year after purchase.
4. All prices are in South African Rand and **exclude** South African VAT.

Wadiso 5

1	Wadiso 5 (200 Pipes, 200 Nodes) Basic Price for 1 Installation (includes Albion CAD)	R
1.1	Module 1 - Steady State Analysis	9,950
1.2	Modules 1 & 2 - Steady State Analysis, Time Simulation and Water Quality Analysis	18,900
1.3	Modules 1 & 3 - Steady State Analysis and Optimization	18,900
1.4	Modules 1,2 & 3 - Steady State Analysis, Time Simulation, Water Quality Analysis and Optimization, exclusive of Reservoir Size Optimization	27,850
1.5	Modules 1,2,3 & 4 - Steady State Analysis, Time Simulation, Water Quality Analysis and Optimization, inclusive of Reservoir Size Optimization	30,200

Sewsan 4

2	Sewsan 4 (200 Pipes, 200 Structures) Basic Price for 1 Installation (includes Albion CAD)	R
2.1	Module 1 - Analysis	9,950
2.2	Modules 1 & 2 - Analysis and Planning	18,900

Albion CAD & GIS

3	Albion Basic Price for 1 Installation	R
3.1	Standalone Albion CAD with Advanced GIS Functionality	9,950
3.2	Albion Advanced GIS Functionality for Wadiso or Sewsan	4,950

Wadiso 5 or Sewsan 4 Optional Modules

4	Optional modules for either Wadiso 5 or Sewsan	R
4.1	WGS84 Conversion Module for CAD and Model	2,350

Wadiso and Sewsan Alternate Pipe Capacities

5	Alternative Program Capacity for either Wadiso 5 or Sewsan 4	R
5.1	For a combination with 500 pipes, 500 nodes, add	9,000
5.2	For a combination with 1000 pipes, 1000 nodes, add	18,000
5.3	For a combination with 2000 pipes, 2000 nodes, add	22,000
5.4	For a combination with 5000 pipes, 5000 nodes, add	26,000
5.5	For a combination with 10000 pipes, 10000 nodes, add	30,000
5.6	For a combination with 20000 pipes, 20000 nodes, add	34,000
5.7	For a combination with 50000 pipes, 50000 nodes, add	42,000
5.8	For a combination with 100000 pipes, 100000 nodes, add	50,000
5.9	For a combination with 200000 pipes, 200000 nodes, add	58,000

Price list valid until 31 March 2010
